

## February Inset 4" Finished Block Churn Dash

---

Here are the templates for you to use if you choose not to use the paper piecing technique to construct your February mini block for the barn.

This block will measure one inch when templates are printed out the correct size

Please make sure the block above measures one inch when printing out the templates below!! Set your page scaling in your printer properties to none for correct printing size!! Your completed block will measure 4 ½" unfinished!
